## COURSE DESCRIPTION

---

RSL Creative and Performing Arts is designed to provide a vocationally relevant education. Throughout the course you will develop the skills needed for a professional performer and designer within the performing arts industry. You will study different styles of dance, practitioners and professions works. You will take part in a variety of practical workshops that focus on choreography, responding to stimulus, performance and working as part of an ensemble. Alongside the practical workshops you will be expected to keep a portfolio of your work.
